

To honor and encourage young scientists and students, the Organizing Committee has awarded several prizes, financially supported by the ICPAM-12 and PAMS-3 sponsors and the Romanian Physical Society.

ICPAM-12 AWARDS

Awards offered for the most original contributions of young scientists:

Sponsor's Prize (500 EUR), offered by AcelorMittal to Elena KOZHUNOVA, Moscow State University, Russia for the oral presentation "1H NMR study of thermo-induced collapse of polyelectrolyte microgels".

12th International Conference on Physics of Advanced Materials, September 22-28, 2018, Heraklion

ICPAM-12

Sponsor's Prize

for the best oral presentation delivered by a young scientist

Elena KOZHUNOVA

for the paper entitled

1H NMR Study of Thermo-Induced Collapse of Polyelectrolyte Microgels

Sponsored by:  AcelorMittal

ICPAM-12 Award Selection Committee, Prof. Joerg K.N. Lindner, PhD

ICPAM-12, PAMS-3 Chair, Prof. Felicia IACOMI, PhD

12th International Conference on Physics of Advanced Materials, September 22-28, 2018, Heraklion

Ilie D. Bursuc Prize

for the outstanding oral presentation delivered by a young scientist

Irina Elena RASCHIP

for the paper entitled

Novel xantan-based cryogels with potential applications in food industry

Sponsored by: Cristina David

ICPAM-12 Award Selection Committee, Prof. Joerg K.N. Lindner, PhD

ICPAM-12, PAMS-3 General Chair, Prof. Felicia IACOMI, PhD

Ilie Bursuc Prize (300 EUR), offered by Cristina David to Irina Elena RASCHIP, Petru Poni Institute of Macromolecular Chemistry, Iasi, Romania, for the oral presentation "Novel xantan-based cryogels with potential applications in food industry".

Neculai Sulițanu Prize (300 EUR), offered by Alina Sulițanu to Levente MÁTHÉ, Faculty of Physics, Babeș-Bolyai University, Cluj-Napoca, Romania, for the poster presentation "Nonequilibrium Kondo effect in a quantum dot coupled to graphene electrodes in presence of a magnetic field".

12th International Conference on Physics of Advanced Materials, September 22-28, 2018, Heraklion

Nicolae Sulițanu Prize

for the best poster contribution presented by a young scientist is awarded to

Levente MÁTHÉ

for the paper entitled

Nonequilibrium Kondo effect in a quantum dot coupled to graphene electrodes in presence of a magnetic field

sponsor: **Alina SULITANU**

ICPAM-12 Award Selection Committee, Prof. Joerg K.N. Lindner, PhD

ICPAM-12, PAMS-3 General Chair, Prof. Felicia IACOMI, PhD

12th International Conference on Physics of Advanced Materials, September 22-28, 2018, Heraklion

ICPAM-12

Ioan Ursu Prize

for the original poster contribution presented by a young scientist is awarded to

Claudia MIHAI

for the paper entitled

Cellular automata model of phase change in stacked chalcogenide films

ICPAM-12 Award Selection Committee, Prof. Joerg K.N. Lindner, PhD

ICPAM-11, PAMS-2 Chair, Prof. Felicia IACOMI, PhD

Ioan Ursu Prize (100 EUR), offered by Romanian Physics Society-Cluj Napoca to Claudia MIHAI, National Institute of Materials Physics, Magurele, Romania for the poster presentation "Cellular automata model of phase change in stacked chalcogenide films".

Augustin Maier Prize (100 EUR), offered by Romanian Physics Society-Cluj Napoca to István SZÉKELY, Faculty of Physics, Babes-Bolyai University, Cluj Napoca, Romania, for the poster presentation “The effect of the pH adjustment upon the $\text{WO}_3\text{-WO}_3\cdot 0,33\text{H}_2\text{O-TiO}_2$ ternary composite systems’ photocatalytic activity”.

12th International Conference on Physics of Advanced Materials, September 22-28, 2018, Heraklion

Organizing Committee Prize

for the most original contribution presented by a young scientist

Marius ASANDULESA

for the paper entitled

Dielectric spectroscopy investigation of new polyimides and copolyimides based on triphenylmethane diamines

ICPAM-12 Award Selection Committee,

Prof. Joerg K.N. Lindner, PhD

ICPAM-12, PAMS-3 General Chair,

Prof. Felicia IACOMI, PhD

ICPAM-12 Organizing Committee Prize (200 EUR), offered by Organizing Committee to Mihai ASANDULESA, Petru Poni Institute of Macromolecular

Chemistry, Iasi, Romania, for the oral presentation “Dielectric spectroscopy investigation of new polyimides and copolyimides based on triphenylmethane diamines”.

ICPAM-12 Organizing Committee Prize (200 EUR), offered by Organizing Committee to Daphne DAVELOU, University of Crete, Heraklion, Greece, for the poster presentation “Quasi 1D TMD nanoribbons: metallic edge semiconductors. A theoretical study”.

12th International Conference on Physics of Advanced Materials, September 22-28, 2018, Heraklion

for the most original contribution presented by a young scientist

Daphne Davelou

for the paper entitled

Quasi 1D TMD nanoribbons: metallic edge semiconductors. A theoretical study

ICPAM-12 Award Selection Committee,

Prof. Joerg K.N. Lindner, PhD

ICPAM-12, PAMS-3 General Chair,

Prof. Felicia IACOMI, PhD

Romanian Physical Society prize (50 EUR), offered by Romanian Physical Society to Marius SOROCEANU, Petru Poni Institute of Macromolecular Chemistry, Iasi, Romania, for the poster presentation “The role of substituents and plasma exposure in enhancing the interactions at metal/polysilane interface”.

PAMS-3 AWARDS

Awards offered for the most original contributions of young scientists:

Sponsor's prize (400 EUR), offered by ArcelorMittal to Ana-Maria PANAITESCU, Faculty of Physics, University of Bucharest, Romania, for the poster presentation "Novel Cu nanorod arrays for optoelectronic devices".

3rd Autumn School on Physics of Advanced Materials, September 22-28, 2018, Heraklion

PAMS-3

Sponsor's Prize

for the best poster presentation of a young scientist

Ana-Maria PANAITESCU

for the paper entitled

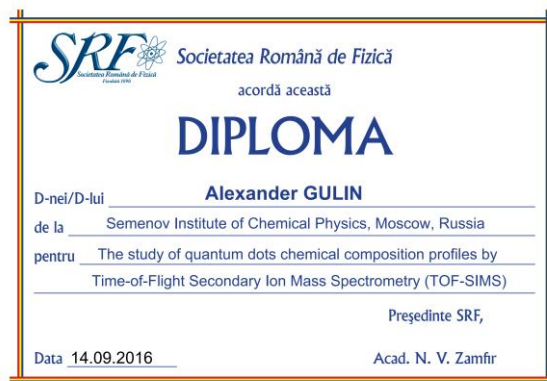

Novel Cu nanorod arrays for optoelectronic devices

Sponsored by:

PAMS-3 Award Selection Committee,
Prof. Joerg K.N. Lindner, PhD

ICPAM-12, PAMS-3 General Chair,
Prof. Felicia IACOMI, PhD

Romanian Physical Society Prize (50 EUR), offered by Romanian Physical Society to Alexander GULIN, Semenov Institute of Chemical Physics, Moscow, Russia, for the poster presentation "The study of quantum dots chemical composition profiles by Time-of-Flight Secondary Ion Mass Spectrometry (TOF-SIMS)".

AWARD SELECTION COMMITTEE

Joerg K.N. Lindner, Paderborn University, Germany

Mairbek Chshiev, Univ. Grenoble Alpes, CEA-INAC, Grenoble, France

Catalin Martin, Ramapo College of New Jersey, U.S.A.

Nikita Bityurin, Institute of Applied Physics, Russian Academy of Sciences, Nizhny Novgorod, Russian Federation

Jan Lancok, Institute of Physics, Czech Academy of Sciences, Prague, Czech Republic

Florencio Sanchez, Institut de Ciencia de Materials de Barcelona, Spain.

AWARDS FOR IMPORTANT CONTRIBUTION IN ORGANIZING ICPAM-12, PAMS-2

Organizing Committee Prize (300 EUR) offered by Organizing Committee to Mirela SUCHEA, National Institute of Research and Development for Microelectronics (IMT) Bucharest, Romania, TEI of Crete, Heraklion, Greece.

Organizing Committee Prize (300 EUR) offered by Organizing Committee to Valentin TUDOSE, Technological and Educational Institute of Crete, Heraklion, Greece.
